Our goal is to partner with local businesses to maximize our financial and social impact within our community. The suggested minimum annual commitment is \$1,000; however, businesses may choose to donate more than \$1,000 – donating generously to our local community through PYP ensures that your dollars will go to help local non-profits that have been vetted, researched, and collectively approved by our membership. Businesses that support at the \$5,000 level or above may elect to have their own community impact grant awarded to a local charity by our membership. All business will be recognized at our Annual Pitch Night.
